MEMORANDUM FOR: Executive Director-Comptroller

ATTENTION : Director, Planning, Programming and Budgeting

SUBJECT : Recommended Supplemental Funding for the
Office of Logistics

1. This memorandum contains a recommendation for approval by the Executive Director-Comptroller; the recommendation is found in paragraph 4.

2. The Office of Logistics has a need to acquire additional technical equipment for installation in its new Printing Services Building, and it is estimated that such equipment will cost \$210,050. If such funds are made immediately available, the Office of Logistics also possesses a capability of undertaking immediately the necessary procurement action. An actual listing of the needed technical equipment is attached.

3. An additional amount of \$22,750 is needed for the repair and resurfacing of roadway and for reroofing storage buildings Sufficient preliminary A&E work has been done so that there exists an immediate capability to utilize these funds and undertake the necessary maintenance work.

4. It is recommended that you approve an additional allotment of \$232,800 for the Office of Logistics for the acquisition of technical equipment for the Printing Services Building and for the accomplishment of needed maintenance work

SIGNED R. L. Bannerman
